DO BUSINESS WITH A MEMBER.

Dues payments to the Home Builders Association of Jackson are not deductible as charitable contributions for federal income tax purposes. However, dues payments may be deductible as ordinary and necessary business expense, subject to exclusion for lobbying activity. Because a portion of your state dues will be used for political purposes, you may deduct all but \$25.66 of your \$70 state dues and \$39.60 of your \$198 NAHB dues as a business expense for income tax purposes. \$10 of the state dues will go to the Builders Mean Business campaign to support our Political Action Committee. If a member is opposed to the dues going to the Build PAC, please indicate this on the dues statement, and the \$10 will go in to the general fund of the Home Builders Association of Mississippi.

By providing e-mail addresses and cell phone numbers, the member understands and agrees to permit HBAJ and/ or its staff to send information to the member about events, activities or issues that the association deems to be of interest to the member, whether the information is solicited or not.
